

THE RODON GROUP

Item # 459 - Self Tapping Thread Protectors

Note: Self tapping thread protectors have 1-2 threads molded-in to get them started. As nuts are turned onto threaded shaft, they self-tap the remaining distance creating a snug theaded fit.

H = Height

D = Washer Diameter

Part Number	459
Acorn Hex Nut Size	7/16"
Height	.440"
Thread Size	1/4 - 20
Washer Diameter	.540"
