

THE RODON GROUP

Item # 463 - Self Tapping Thread Protectors

Note: Self tapping thread protectors have 1-2 threads molded-in to get them started. As nuts are turned onto threaded shaft, they self-tap the remaining distance creating a snug theaded fit.

H = Height

D = Washer Diameter

Part Number	463
Acorn Hex Nut Size	5/16"
Height	.320"
Thread Size	10 - 24
Washer Diameter	.420"
